Paandi main

Teri he dunia jiya na chaahndi main

Chaahndi main

Kyun samajh tainu nahi gal aandi ae

Girl, if you run away I follow

I'ma love you like there's no tomorrow

Baby girl I need to borrow

Your heart to ease my sorrow

I wanna take you on a trip to Cabo

Am I still your love, Desperado

'Cause baby girl I need to borrow

Your heart to ease my sorrow

Mashallah, mashallah habibi

Dance for me

Mashallah, mashallah, dance for me

O yeah yeah

Mashallah, mashallah kehna main

**Bas tere layi**

**Mashallah, mashallah tere layi**

**O yeah..**

**Girl bring bring that body little closer**

**Move your hips like you're belly dancer**

**Girl bring bring that body little closer**

**Move your hips like you're belly dancer**
